

MIXER LIGHT

MORTAR - 2,2 KW

Continuous mixing pump | reference : 910000200A

Compact continuous mixing pump, with reduced weight and size, easy to disassemble into 4 sections for simplified transport.

Ideal for a wide range of powder products, lime-, plaster- and cement-based surface coatings. This pump is also ideal for filling joints, resurfacing works, applying adhesives, interior and exterior finishes.

TECHNICAL DATA

| | |
|---------------------------------|------------------|
| Hopper capacity | 70 L |
| Power supply | 230 V~ 50 Hz |
| Motor thermal protection | yes |
| Variable speed | yes |
| Water pressure booster | yes |
| Flow meter | Digital display |
| Water shortage safety device | yes |
| Integrated compressor (cat. C5) | 8021022700 |
| Spraying flow rate | 8 to 26 L/min* |
| Max. spraying distance | 40 meters* |
| Loading height | 102 cm |
| Dimensions (l x w x h) | 98 x 72 x 153 cm |
| Weight | 145 kg |

(*) depending on the characteristics of the product used, the stator, the rotor, the diameter and length of the hose, the spraying height and the ambient temperature.

DELIVERED WITH

- Anti-seize spray
- Cleaning shaft
- 19x26 40 LM water hose with GEKA coupling
- 20 LM neoprene 3x6 power cord with plug
- Adapters + GEKA coupling
- Releasing tool
- 25x37 15 LM spray hose with couplings
- 13x19 16 LM air hose with GEKA coupling
- Mixer full spray lance made from aluminium tubing
- Compressor unit for Sprinter with mounting
- Maintenance kit
